THE Star

Real Talk Outreach Ministry—Meet Robert and Felicia Caldwell.

Robert and Felicia were both called into outreach Ministry back in 2008. They worked under Pastor Robert E Hilton Sr. and Evangelist Lilly Hilton, “They taught us about seeking God and truly depending on God.” They

had a couple’s testimony about how God saved their marriage in the 11th hour. As they shared, more and more singles and couples would show up to their home and Felicia’s business and they would have church wherever they were. Street ministry, prison ministry and homeless ministry filled their schedule. God has used them in a tremendous way. “The more we talked about our day after work, we realized that we had similar testimonies about how people came over, or called”, says Robert. *“We continue to let God use us as he see fit. We love giving the testimony about Christ Star Church of God and our experiences there. We continue to grow and continue to help increase God’s Kingdom and he keeps sending people that have some issues they find hard to let go, so we pray with them and invite them to Church to Fellowship with us.”*

Four ways to help the ministry

What can I do to help? I’m so glad you asked. There are several ways in which members and guest can help support Christ Star’s ministry. Here’s the top 4

1. Bring in paper products. The church uses plenty of paper plates, cups, napkins, paper towels, tissue, and plastic wares.
2. Drinks
Bottled water, coffee, tea, and juice.
3. Cleaning Committee
Vacuum, wiping, and trash dumping.
4. Smile! We are glad you are here.

I Was Thinking About Praying

When we get busy in our daily lives, it's easy to think "I'll pray later when I am more relaxed" or "less busy" or "not so tired". That "later" usually doesn't happen. If you're feeling the need to pray right NOW and don't, it is really a direct rejection of the Holy Spirit leading you into prayer. He's here to counsel and teach us and if we don't heed His direction, we're not taking full advantage of the privilege we have in prayer because of our Savior's finished work at the Cross and subsequent resurrection.
