

2018 Summer Season College Intern Application

Our Mission

Thank you for your interest in auditioning for the Tidewater Winds' 2018 Summer Season! Our mission is to foster and maintain an organization dedicated to the making of music in the Sousa tradition. Furthermore, it is our charge to maintain the highest aspirations of musical art, creating performances and providing educational training programs for students at the highest level of excellence.

Each season we look forward to providing quality enrichment, entertainment, and music education to the community and are excited for your interest in joining us.

College Intern Program Information

For 30 years, the Tidewater Winds has provided a valuable training platform for Tidewater's college musicians through our College Student Intern Program. This program provides an opportunity for college students to gain professional performance experience during our summer season. Each student intern is paired with a professional musician to mentor them throughout their time with the Winds. Student Interns are encouraged to seek advice/help with the music or any other aspect of playing with the band.

College interns will receive \$25 for each rehearsal and \$20 for each performance. At the end of the season, the student intern is evaluated on preparedness, musical ability, deportment and progress within the group. These evaluations will then be made available to the student.

We encourage you to consider this opportunity for advanced students. All applicants to the program must meet the following requirements for our College Student Intern Program:

1. Applicants must be studying music at the collegiate level.
2. Applicants must complete the enclosed Student Intern Registration form their applied teacher's signature.
3. Applicants must have a recommendation from their applied teacher. **Please make sure recommendations are submitted with this registration form.**
4. All applicants must be available during the month of July. **All rehearsals are mandatory.** As per policy, if you are unable to attend a scheduled rehearsal, you will not be eligible to play that particular week. **No exceptions.**
5. All applicants must audition on Sunday, May 20th at Granby High School (info on pg. 2). Audition materials are available on the website (TidewaterWinds.org), or by request via e-mail at PerManager.TW@Gmail.com.
6. If selected, each intern is required at the end of the season to provide a short essay recapping their experience as a part of the Tidewater Winds ensemble.

How to Submit an Application

Please note that this application is for auditions only and does not guarantee a contract.

ALL APPLICATIONS MUST BE SUBMITTED BEFORE MAY 15th

You may digitally fill-out your application (PDF), or email a printed scan/photo (JPG/PNG). To submit a completed application, please email all materials to our Personnel Manager (PerManager.TW@Gmail.com). Applications submitted after the deadline of May 15th are not guaranteed an audition for the 2018 Season. **Incomplete applications will not be accepted** (e.g. missing teacher recommendation, missing availability info, etc.).

Audition Information

Auditions will be held on May 20th, 2018 at Granby High School in Norfolk, VA. Audition times are based upon total number of submitted applications. You will be contacted with a general audition time shortly after May 15th.

[7101 Granby St. Norfolk, VA 23505](#)

Availability Information (pg. 3)

Please check your calendar with our 2018 Summer Season dates on pg. 3. Place a mark that best describes your availability for each performance listed. Rehearsals are always on Sundays from 2:30-5:30.

**As per policy, if you are unavailable for a Sunday rehearsal, you are ineligible to perform at all that week.
No exceptions.**

Concerts always have a 7:30 start time unless specifically noted. Please remember to consider your commute to the performance location. A 60-45 minute call time is encouraged, while a 30 minute call time is compulsory.

The Tidewater Winds Big Band is a smaller group comprised of members from the Concert Band which uses traditional big band instrumentation (sax/reed doubles, trumpets, trombones, and rhythm section). If you are auditioning on an instrument used in that group and interested, please mark your availability for those dates, as well.

“Big Band Only” dates only require members of the Tidewater Winds Big Band and not the full Concert Band.

If you are not a part of the Tidewater Winds Big Band, you will not be contracted for those events.

Again, we appreciate your interest in supporting the mission of the Tidewater Winds and you our College Student Intern Program. We look forward to hearing your audition! If you have any questions or concerns, please email our Personnel Manager at PerManager.TW@Gmail.com.

*Please fill out the form on pg. 3 and return with an applied/private teacher's letter of recommendation.
You may submit a PDF or scanned print out (JPG/PNG).*
