## HEALING WOUNDS AND REBUILDING TRUST IN COMMUNITIES ACROSS THE NATION

Rev. Dr. McMicheaux has worked in ministry for over 30 years, helping disenfranchised communities and bringing hope to the hopeless. Dr. McMicheaux workshops on evangelism are a fresh and spirit led time aimed at challenging believers to look at how God desires to use them.

*“And so it was me, brothers and sisters. When I came to you, I did not come with eloquence or human wisdom as I proclaimed to the testimony about God. For I resolved to know nothing while I was with you except Jesus Christ and him crucified. I came to you in weakness with great fear and trembling. My message and my preaching were not with wise and persuasive words, but with a demonstration of words, but with a demonstration of the Spirit’s power, so that your faith might not rest on human wisdom, but on God’s power.”  
1 Corinthians 2:1-5 (NSRV)*
