

**American Legion Auxiliary Wyoming Girls State
Rating Sheet**

It is extremely important that Girls State Delegates be selected fairly.

We ask that each teacher be given a rating sheet in an envelope, so he or she may evaluate candidates privately and return their rating sheet to the appropriate school employee. These envelopes will be picked up by the American Legion Auxiliary Unit Girls State Chairman, compiled, and averaged - according to the number of teachers evaluating in each case. They will be recorded on a master sheet and the result given to the local Unit Girls State committee of the American Legion Auxiliary to aid in making the final selection.

Please use the following point system:

For Interest in Government, Leadership & Honesty

- Excellent - 10 Points
- Good - 7 Points
- Average - 3 Points

For Character, Scholarship, Cooperativeness & Community Service

- Excellent - 5 Points
- Good - 3 Points
- Average - 1 Point
