Summer League 2016 - Affiliation

Dear Parents/Players,

As the Winter Season draws to a close we are looking forward to the Summer Season in the Fylde Netball League.

For parents/players who haven't previously played in this league, it is made up of 6 divisions and is affiliated to England Netball. As a result the competition is of a very good standard with a lot of room for progression through the divisions for our teams.

In order to play in the Fylde Netball League it is compulsory that each player is affiliated to England Netball. The costs for this are as follows:

Over 18 (as at 31/03/2016) : £34
Under 18: £25

Please note these fees include membership to England Netball as well as the compulsory regional and county fees imposed by England Netball.

A summary of the benefits of membership with England Netball are as follows:

- Regular issues per year of Netball Magazine and digimag, as well as a monthly HTML newsletter – containing news, offers, competitions, giveaways, tips and ideas.
- Comprehensive Liability and Personal Accident insurance cover.
- Access to England Netball courses, awards, events and academy programmes.
- Entry to EN leagues and competitions – a player-centred, exciting, high-quality structure which identifies and nurtures talent, and where participants are encouraged to become the best they can be at their level.
- Discounts on Netball merchandise and test series tickets, as well as an increasing range of exclusive offers from EN partners.
- Information, advice and support direct from our County, Regional and National networks.
- Support from England Netball qualified Coaches and Umpires.
- Downloadable Membership card.
- Each individual is entered into our draw for free test series tickets (5 pairs per Region)

In order to have our teams successfully registered and affiliated with both England Netball and the Fylde Netball League ready for the Summer season we require payment of the affiliation fees no later than Wednesday 23rd March and we ask that payment is made by cheque. Please also complete the attached England EN registration form and return with payment.

Thanks
