CAMP NEOFA

A quick view

Camp NEOFA was founded in 1957; the realization of a dream on the part of some enterprising Odd Fellows and Rebekah's in the Northeast. NEOFA stands for North East Odd Fellows Association, Which is comprised of members from the Jurisdictions of the Atlantic Provinces, Connecticut, Maine, Massachusetts, New Hampshire, Quebec, Rhode Island and Vermont.

Following several years of discussion and exploring, the Montville Fairgrounds, in Montville, ME was purchased and the "Dream" was on its way. For the first few years, campers lived in tents during their stay at camp NEOFA; but one by one Jurisdictions built or provided funds for cabins, named for the jurisdiction who paid for their construction. As time went along, the dining hall, nurse's cabin, administration building, arts and crafts building and "rec" building were added.

The NEOFA campus currently consists of 12 cabin, each housing up to ten people, and five ancillary buildings. The "Castle", located adjacent to the dining hall, is the last remaining building from the old Montville Fairgrounds. There are more than 100 acres of open fields, pine groves and undeveloped land, with 2,300 feet of water frontage on beautiful True's Pond. Co-ed camping is offered for youngsters between the ages of 8-14, during the month of July, and our staff is committed to providing every camper with a safe, and fun-filled summer camping experience. Many youngsters return year after year; and when they are too old to come as campers, they return to help the younger children have the same exciting camping experience they enjoyed.

We are especially grateful to the Odd Fellow and Rebekah lodges in the Northeast for their continued support and sponsorship. These are the individuals that help keep Camp NEOFA operating year after year. As a non-profit organization, your tax deductible donations, as well as comments and support, are welcomed and appreciated.
