

AMCA LEGENDS

AMCA - Calendar of events for 2016

Well another year has begun. We have had some meetings, and it's now time to put to paper what has been planned for the upcoming year. Most everyone knows that Daytona is only a week away and the First National Event of the year is held at the horse pasture. Like most of you, I look forward to Eustis / Daytona every year, despite my last years adventure. My passion is not just for the Event of the swap meet, it's the adventure of riding and eating and repeating. Most of you know what I'm talking about. "The Mason Jar", "The Quarterdeck", "JC's Lobster Pot" just to name a few. So for me, It's simply about the chance to feel the warm Florida sunshine and ride, wrench, eat & repeat. *As a avid rider and collector of this
Antique stuff, “that rolls and goes” as Ol
Burt would say, I sometimes paint with
more than one brush at a time, so if you
see anything that looks odd or off,. topic
point it out to me or Bud I’m just doing
this for fun! And I hope that you are too!
