

The word's the thread.

The Word's the train
The thread's the track

Clickity clack
Clickity clack.

The train's a needle
The track's the ride
In mind's tunnel
And back outside
Streamline sharp
Short or long
Start to finish
Weave along
Ink thread
Thin and fine
Words parallel
On steely lines
Needle engine
Thread carriage
Mind and heart
A perfect marriage
Forward forward
Keep on track

Clickety clack
Clickety clack

Words stop
End to riding
Threading in
The railway siding
The word's the train
The line's the track

Clickety clack
Clickety clack
Clickety clack.
