### *Run No. 1439 - Skeleton Bowls us Over!*

On Monday 19 October an enthusiastic group of Hashers, a dog and 2 virgin hashers, Nicole and Ev, gathered at the Baulkham Hills Bowling Club for another killer hiller run by Skeleton.

Skeleton found every hill in the Hills and wild claims were made about chalk not being marked. Mysterious things happened - B4 and Humpfree who were running the whole way returned well after the FRBs PNS (sporting his lovely new red T-Shirt from the Narooma event on the weekend) and Ev who were walking??? How can runners be slower than walkers?? More walkers returned still before Humpfree and B4 came back, and speculation was rife amongst the rest of the Hashers. Wasted and The Terminator decided B4 must be shopping on the pavement as it was council pick up time again and perhaps Humpfree was helping him pick out a new dining suite? Slowcum, Wetbits and Strudel the dog all waited (why are we waiting...) for the circle when Humpfree and B4 finally appeared. All this time SST just looked like the cat who swallowed the cream...

That last sentence dear hashers, was a segue to the down downs:

- Skeleton the Hare for her killer hiller run

- Virgin Hashers Nicole and Ev (it was great to see you both!)
- Humpfree and B4 because they are who they are
- And most interesting down down of all - SST charged Wasted with Sex on Trail with himself! Hence that contented look on his face! Good to see Bushrangers keeping up the S on T tradition!

During our down down singing our Songmattress Slowcum sang us a new song - it was great - but I can't remember it! Slowcum - we'd love to learn that song so how about a practise next week? Our lovely singing voices are looking forward to a challenge!

Sigh - all good things come to an end and Skeleton organized a lovely dinner for us at the Bowling Club - well done Skeleton, you can bowl us over any time.

## Next BH3 Run:

**Monday 26 October – PNS:** *Meet in the carpark by the wooden fence at IGA Shopping Centre, The Parkway & Buller Circuit, Beaumont Hills This will be PNS' epic Chinese (we close at 8pm – NOT!) Restaurant Run. Regulars will be panting with anticipation and shining up their chop sticks to see if we really get to eat at this location. Be there before 6.30pm for an on time start!*

## Special BH3 Event:

### ***The General - Commemorative RIP Run – no need to register:***

Following the passing of The General and with the blessing of his widow Virgin Blue, the Bushrangers are organising a commemorative run at:

***The Cricketers Arms Hotel, 255 Darling Street, Balmain (Sydney) on SAT 14NOV at 1400hrs***

This pub was the favourite pub of The General and Virgin Blue. We will have a run and a few drinks to celebrate The General's life as a hasher and sign a condolence book to give to Virgin Blue.

As the General was a well travelled hasher across Sydney, nationally and the world, please pass this on to other Hashers and Hash groups. There is no need to register for this run.

For any questions contact PNS on 0408 289 562.
