September 2017 Newsletter

September Meeting 9/27/17

The next meeting will be held out at the Legion on 9/27/17 and will start at 6:30pm. This will just pretty much be a social meeting and a chance to renew memberships. I have a list of those who owe for work hours and I will try to notify those that do owe. Membership cost again is \$35 for the year with four hours of work required or \$10 per hour not worked. You can pay for the work hours up front if you wish to do so.
