

There is no greater love than that of a Mother for her children. She is the one constant person in the life that her child will run to; when that child is hurt, in good times, in bad times, in happy and sad times. We belong to her and she knows us. She sees the good in her child, even when others can't seem to find it. She is the protector of her child and she will defend her child no matter what the cost is. She is relentless when she pleads her child's case whether that child is right or wrong. She loves her child unconditionally even when her child doesn't return that same love and often forgets all the things that their mother has done for them. This is what our Blessed Mother is to all of us. Jesus knew how important it is for us to have the perfect mother, a mother who loves unconditionally, a mother who protects her children, a mother who will never abandon her child even when that child abandons her. A mother who continually prays for her child's well-being and redemption. She is that bridge that connects us to her son, Jesus Christ. How truly blessed we are. My name is Sharon Pedone and I am the president of the Holy Rosary Society. I would like to tell you a little about us and the works that we do for the greater Glory of the Risen Christ. We are a society that has been in existence for a long, long time and we are rooted deep in spirituality, service and devotion to our Most Blessed Mother. We feed the hungry, clothe the naked, pray the rosary each and every day, and pray for those who ask us to pray for them. Pretty simple, right? Perhaps you attended the Rosary nightly in May and October, and every 13th of the month or attended the living Rosary or the May crowning. Honestly, we would not be able to do even the simplest things without the grace, guidance and love of our Blessed Mother and the hard work and dedication of past and present members who made the society as strong as it is today. So ladies (young and old) if you love our Blessed Mother, and accept her invitation to serve one another and become closer to Christ, give me a call at 201-920-9071.

Please watch the bulletin for activities sponsored by the Rosarians!

May God bless you and keep you.

Sincerely,
Sharon Pedone, President
Holy Rosary Society of St. Joseph's Church
