KURIA HILLS LODGE

SERENGETI

Offering unrivalled luxury, LEMALA KURIA HILLS LODGE is situated in the Wogakurya Hills, close to the Mara River and within the main corridor of the world-famous wildebeest migration. Large boulders and kopjes form the prominent features of the site and each guest tent has been carefully positioned amongst these to ensure privacy and spectacular vistas of the gentle grassed slopes, open woodland and tree lined watercourses, which all make up the scenic north Serengeti landscape.

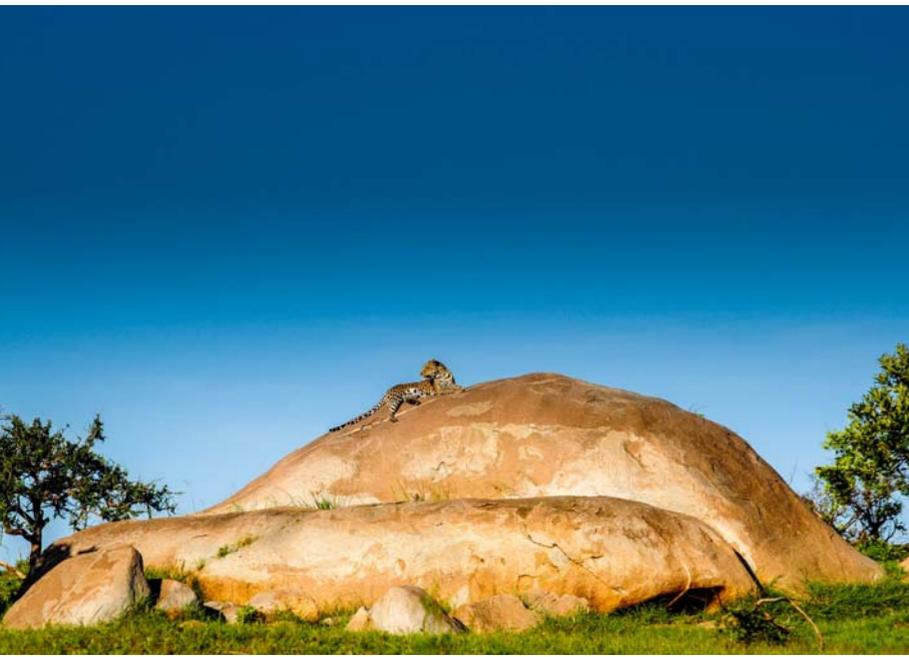

LUSH - LAVISH - LUXURIOUS

Magnificent kopjes dominate the public areas, with superb views from the bar, sitting and dining areas, swimming pool and the decks. Guests may enjoy several dining options in camp or out in the bush with a choice of freshly cooked starters, main course, desserts and house drinks. Tea is served in the afternoon before your game drive and cocktails at sunset on one of the kopjes overlooking the Isuria escarpment.

A separate tent in the wild forms the Melengali Spa where you can indulge in massages and manicures in a peaceful, natural setting. Whether you are here for the migration between June and October or for privacy and seclusion at other times of the year, you will find Lemala Kuria Hills a place of incredible luxury and beauty where you can relax or explore the amazing wildlife, landscapes and habitats of the northern Serengeti with our superb guides either on foot or in our custom-designed 4x4s.
