Built around a central private courtyard, each villa boasts a reception, living and dining room with the ground floor hosting 2 or 3 suites with bush or pool views and additional guest bathroom. 2 of the villas have a second floor with views of the pool or surrounding bush and both Mt Meru and Kilimanjaro. All suites encompass a private terrace.

Each villa has an array of dining options that range bush dinners outside in the garden, to pool side with candle light, or around the camp fire. Our personal approach allows us to provide a tailor made service to suite each and everyone of our guests. Guests, after breakfast can spend the day sunbathing by the pool or play a round of golf on Tanzania's only championship course. A delectable lunch is available outside followed by a cocktail under the shaded patio, which overlooks the surrounding bush and wildlife.

Afternoon tea will be served on the patio or you could be tempted outside again with views of both Meru and Kilimanjaro from the verandah and later gaze at the stars from your open-air fireplace. Dinner is ready when you are and afterwards the fire beckons; a nightcap to wrap up your day at Lemala Kilivila before retiring to your room ready to dream of Africa with the unique night sounds to send you on your way to dreamland.

Discover the real Tanzania!

Ask a first-time traveller to Africa what they are looking forward to seeing most and they will probably reply, "the wildlife". Ask them, on their return home, what the best bit of their trip was and they will more-than-likely say, "the people".

Tanzanians are among the most welcoming and approachable people on earth. With a wide variety of fascinating cultures to discover, and along with the phenomenal wildlife, it is likely to be one of the most rewarding experiences of your life.

*"Nothing but breathing the air of Africa, and actually walking through it, can communicate the indescribable sensations."
- William Burchell*
