This calendar does not include some events that are not yet scheduled. Dates and times subject to change. Please be sure you are getting our Remind texts and follow us on Facebook!

Each Monthly Activity Schedule you receive will have updated dates and times.

Don't forget to check around to see what other programs have on their calendars! The library, BGPR, Special Olympics, Top Crops, Community Education, and others! Let us know if you need help finding something!

We have a lot of new stuff happening this fall and we are going to have to really work together like bees in a hive to make it a success! If anyone can make it awesome, our HIVE Tribe can!!
