

9-ball Team Captain Guide Lines

Be at meetings to represent your team or select a team member to go in your place.

FIRST NIGHT OF LEAGUE:

Fill out Roster Sheet, collect sanction money from your players (\$30 per person) and collect bar/tavern sponsor fee (\$35 per team). This goes to the Home team captain along with league fees (\$5.00 ea player) and green fees (\$2.25 ea player). Green fees go to the bar if your bar opens the tables.

Home Captains:

Collect all monies from both teams before start of each match. Mail or hand deliver money and white copy of Score Sheet to League Operator. It is to be received by the Friday after your match or home team forfeits their match (games and points) until the envelope is received.

WEEKLY:

Fill out score sheet line up and check round totals.

All team money is to be paid in full each night. Captain is responsible to make sure all money is accounted for. If a player is absent you **must** pay their fee. This is a 'no pay, no play' league.

Sportsmanship is the most important thing in this league. It's a night of getting together and playing pool. Unsportsmanlike conduct will NOT be tolerated.
