

EVBCA NEWS

Double check your scores with the other team through out the night. Rounds won are the first through fifth plus the total overall amount for a total of 6 rounds over all. A tie in a round is decided by the total amount of games won in that round and if the overall end up in a tie it is decided by the total games won in the night.

Please put the date on score sheets

Captains

Please be careful when sending in cash with score sheets in the mail we've had one score sheet come in with the envelope torn and money was missing from it.

Also Read the papers in your packets. I have been receiving incorrect amounts of money. \$60.00 is what is supposed to come in with the score sheets no matter how many players play that night.

HANDICAPS

Players with less than 2 weeks have an average of 10
Figured by the difference between the totals of team averages,
NOT TO EXCEED 15 POINTS

WBCA NEWS

Regional tournament entries are online at westernbca.org. Cindy will have them up on our website within a few days.

REGIONAL NEWS

With the up coming regional event Fargo is going to be the rating system for placement by your Fargo rate. If you feel you are improperly ranked by your Fargo score email me so it can be questioned to the ranking committee and Fargo rate. Procrastinating on this could make it so you do not get your Fargo adjusted in time of the regional tournament.

I will only do this through email.(rackrunningryno@gmail.com)
