### **Newest Class! The Gathering**

Our Ministerial Intern, Natasha Schoonover, leads a class in the fellowship hall open to all. Currently they are studying basic Bible themes beginning with Genesis. Come when you can!

**Discoverers** meet in the Session Room of Rumble House, located next door to the Sanctuary building. Adults of various ages are studying various books, facilitated by Kim Rogers and Alice Salthouse. New participants are welcome!

**Explorers** meet in the Pine Cone Room of Rumble House, next door to the Sanctuary building. Carolyn Nelson leads this group in the PC (USA) curriculum ***The Present Word***. Other class members also facilitate occasionally.

**The Carter Lentz Men's Class** meets in the Rocking Chair Room of Rumble House, next door to the sanctuary building. Fellowship is enjoyed prior to class with coffee and doughnuts. This group also gives to community needs and the church's scholarship program for youth. In addition, they support special church projects and provide breakfast for the community after the Easter sunrise service each year—and for other special occasions! Curriculum: David C. Cook ***Bible and Life Series***. Several of the members serve as teachers for the class during the year.

**The Women's Class** meets in the Church Library, located near the lobby of the education building. Taught by Mary Lentz and Debra Shore, this diverse group of mature women (any age is welcome!) study the Bible using the David C. Cook ***Bible and Life Series***.

**Short Term Studies** meet throughout the year and are taught by various adults. Please see the current Slate and Stone or e-news for updates.
