CAMP PHILOSOPHY

Experience, knowledge, passion and honesty are the most important qualities we look for in our coaches. If you want to improve, if you like a challenge, if you enjoy your soccer, our experienced coaching staff is eager to increase your understanding and love of this great game!

SOCCER, ETC. INTERNATIONAL CAMPS are built around the beautiful simplicity of this global game, where learning and enjoyment go hand-in-hand and where campers are encouraged to develop the habits and attitudes of champions. Our goal is to inspire players to strive for excellence in all facets of the game and to foster a passion that lives on beyond the playing of this wonderful sport.

WHAT PEOPLE ARE SAYING

"Coach Nicolaou brings a very professional environment that allows players to learn, compete, have fun and grow as individuals and as a team. I felt that our team grew each time we played together because we were challenged and learned from each game, with his help." - **Greg Dalby, US National U-18 Team; Colorado Rapids, MLS**

"My daughters have been going to the Soccer, Etc. camps for the past three years. The coaches use a variety of soccer games to teach individual and team skills, and to improve the campers physical condition. It's a great way for kids to learn and improve their game, while having fun and making new friends. The coaching staff is excellent, with years of professional playing and coaching experience." - **Marsha Shaftel, Parent**
