

## State Swimming Champs For Sixth Year

The Hartford High School swimming team, which, this season, under the able guidance of Coach Larry Amann, won the state scholastic championship for the sixth successive time. The Hilltopper natators, never beaten by a high school team, have dropped but three meets in the past six years—two this season to the Yale and Trinity freshmen teams. They copped 10 decisions this past winter. They are, first row, left to right: Fevald, Watson, Jack Tyler, Mullady, Boreynski; second row, Manager O'Neil, Bob Tyler, Bloomquist, Yedzinak, Sanko, Anderson, Coach Larry Amann; third row, Condren, Jacobs, Kulpanowski, Henry, Hattwig and Ziembra.
