

Arran Mist

Toast the optional porridge oat flakes under the grill. crush the ginger biscuits in a polly bag (alternative Lotus Biscoff x 2 per person). Whisk the cream for a good 10 minutes till you get loose peaks then add the ginger preserve (alternative orange marmalade).

Prepare your serving dishes with the crushed biscuit then add whisky (I sourced a 35cl bottle of White and Mackay for £8) or you can use a 75cl bottle of cream sherry from Lidl for £5.25 if you don't like whisky.

Add the cream and serve...job done
