March Activities

~Please note that all activities are completely optional~

Money is due on the first attended day of the month

Coffee Club \$1.00. This includes one cup of decaffeinated coffee per day, for the entire month.

Red Robin \$15.00. We will take small groups out to eat every Monday. Please make sure money is turned in at the beginning of the month so that it will be available on the day you/your person wants to go.

Chili Cook-off \$5.00. Cost covers supplies for X-Excel staff to make up to 4 pots/types of chili. Toppings such as crackers, shredded cheese, sour cream, corn chips, and a drink will also be included.

Shamrock Smoothie \$2.00. Cost covers supplies to make festive green smoothies to celebrate this holiday.

Volunteering. We will be taking groups of 2 people to Canton Calvary Mission and Total Living Center to assist with food services, dishes, putting up chairs, and any other areas of need, once a week. There will be sign-up sheets so that everyone interested gets a chance to participate.

Canton Art Museum. Entry is free on Thursdays, so we are taking advantage of this and will be taking small groups twice this month.

Library Events. We will be visiting the various branches of the Stark County Library for a number of free classes that are being offered throughout the month.
