## Classic Deviled Eggs

### Ingredients:

- 6 eggs
- 1/4 cup mayonnaise
- 1 teaspoon white vinegar
- 1 teaspoon yellow mustard
- 1/8 teaspoon salt
- Freshly ground black pepper
- Smoked Spanish paprika, for garnish

### Directions:

1. Place eggs in a single layer in a saucepan and cover with enough water that there's 1 1/2 inches of water above the eggs. Heat on high until water begins to boil, then cover, turn the heat to low, and cook for 1 minute. Remove from heat and leave covered for 14 minutes, then rinse under cold water continuously for 1 minute.
2. Crack egg shells and carefully peel under cool running water. Gently dry with paper towels. Slice the eggs in half lengthwise, removing yolks to a medium bowl, and placing the whites on a serving platter. Mash the yolks into a fine crumble using a fork. Add mayonnaise, vinegar, mustard, salt, and pepper, and mix well.
3. Evenly disperse heaping teaspoons of the yolk mixture into the egg whites. Sprinkle with paprika and serve.

### Kim S Dream Job

My dream job is to work with animals at the Zoo. After doing research I found twelve steps to work at a Zoo. Here are a few steps to take.

1. Volunteer at a local animal shelter. This training will appeal to Zoos and show your willing to do the hard work.
2. Ask to help at a Wildlife Rehabilitation Center
3. Work with an Endangered Species Group. This will look attractive on your Resume
4. Talk to an animal keeper at the zoo and ask questions.
5. Check into internships in animal collection department at the zoo.

The animal I would like to work with the most is the OWL. I like owls because there is so many different species of them. Also, because they are free animals and they can fly all around. I really like animals I watch the show The Zoo. One day I would love to have my dream job at a Zoo even if it is only to volunteer!!!!
