

Thank you for your enquiry into KRRs Training services.

Workshops are held at
KRRs Training, Unit 4, Horrocks Farm, Rawcliffe Road, St Michaels, PR3 0UH

KRRs Training is a force-free company and we will not allow any aggression or negative reinforcement to the dogs. We also have a duty of care to our clients to keep them and their dogs safe and therefore do not allow aggressive dogs in class environments. That said we do not believe in just turning people away and therefore offer One-to-One sessions to be arranged at our discretion..

Payment can be made in cash, via paypal (Please use the Family & Friends option) using the email address below or by cheques made payable to Natasha A Davies. Due to high demand we require the full fee upfront 50% of which is non-refundable. Handler spaces are £35 and limited to 6 spaces and Spectator spaces are £20. Due to the nature of this service any cancellation of space with under 48hours notice will result in no refund. Please fill out the enclosed Booking Form and return to the email address at the bottom of the page or post to KRRs Training, Horrocks Farm, Rawcliffe Road, St Michaels PR3 0UH

We have very few rules in the club, but we do ask that these rules, which are extremely important to the smooth running of the club, be strictly adhered to:

- Please always bring poo bags and be prepared to clean up.
- Dogs must always wear an appropriate ID tag. This is not just a rule of KRRs but also a legal requirement, which if ignored could cost you up to £5000 – Surely it's worth the paying for the tag rather than the fine!
- Please do not feed your dog prior to class and exercise him / her before entering the premises.
- Please always bring good quality tit-bits for your dog as we do a great deal of food training. We recommend Hot-Dog sausages, cheese, liver etc. Dried biscuits are not good enough.
- All dogs must be on lead and held by the owner unless under instruction.
- Children are very welcome under strict parental control and must, remain seated, unless asked to join in. They are not to approach other people's dogs' within the premises or run about the hall whilst classes are in progress.
- Under no circumstances should the dog be subjected to negative reinforcement, if our trainers witness or see evidence of any such training method, you will be asked to leave. This includes the use check/choke chains
- Only dogs' of good sound temperament are accepted into group classes in a confined area. This ruling is imposed for the safety of other dog owners' and their dog/dogs.

Please check the website for dates and times

Yours sincerely
