

Article 19 Sign Regulations

Section 19.01 - Purpose

The purpose of this Article is to regulate on-site signs and outdoor advertising so as to protect the health, safety, and general welfare, to protect property values, and protect the character of the various neighborhoods in Hillsdale Township.

The principal features are the restriction of advertising to the use of the premises on which the sign is located and the restrictions of the total sign area permissible per site. Any sign placed on land or on a building for the purpose of identification or for advertising a use conducted on the premises shall be deemed an accessory use. It is intended that the display of signs will be appropriate to the land, building, or use to which they are appurtenant and adequate, but not excessive, for the intended purpose of identification or advertisement.
