Blackley became the first club in the Halifax Cricket League to gain "Club Mark' status. 'Club Mark' has been developed by ECB and Sport England to set down criteria a club must work through in order for them to gain accreditation. Successful accreditation identifies a club as one that takes the welfare of its junior members seriously and wants to provide a junior section that is well organised and committed to being a safe, effective and child friendly club. This accreditation has to be renewed every three years.
