

... HE HAS MADE THEM A KINGDOM AND PRIEST

### COME ON BOARD HIS KINGDOM REFORMATION TRAIN IN 2017!

Everybody wants to enter the kingdom of God according to Luke 16;16. Multitudes confirmed this truth as they came from everywhere to hear and see King Jesus. They were fascinated by his preaching as he proclaimed the truth with authority (priest) and by his divine power as he ruled his assigned domain of God (kingdom). And yet though seeing many didn't perceive and though hearing many did not understand the secrets of the kingdom of God. In Mark 4 and Matthew 13 Jesus explained the different reasons, why not everyone can see, hear and bear its fruit. (1) The first reason is people who do not understand the kingdom of God. The reason why they do **not understand the kingdom of God** is because they do not obey. **John 7;17 If anyone wants to do His will, he will understand whether the teaching is from God or if I am speaking on My own.** The way through the door requires a true repentance, baptism in water and Spirit. People who stay on the broad road, evil spirits will come and snatch the kingdom seed away. (2) The second reason is **trouble and persecution**. Anyone who starts to put faith in the word of God with the evidence of acting upon it will start to experience trouble and persecution. Often persecution starts within the closest circle of our parents, relatives, and friends and our "church" itself. It is a high price to leave father, mother, brother and sister for the kingdom and his righteousness. Sometimes God has to take drastic measures and bring his people into a different country like with Abraham. (3) The third reason is the **worries of life and the deceitfulness of wealth**. As mentioned in the parable the kingdom of God starts in seed form. Even though the seed contains in itself the entire tree with a hundredfold of fruit, it takes time for a tree to grow to full stature. While the roots grow deep into the soil on the outside there is not much to see and we may start to get worried at times whether Gods ways really work. But it is during this time God reveals what he wants to accomplish through our life here on earth. It is supernaturally, but God lets us literally see and hear our assigned domain of God! I can testify to this truth of what I had seen and heard! Once God shows us the work (vision for our life), we have found the true wealth, because what God called us to do is promised with lasting rewards, is the kind of work we were born to do and that's eternal life right here and now as we work together with our heavenly Father, and believe it or not it is promised with a hundredfold return in this present age! **Mark 10; 28 "Truly I tell you," Jesus replied, "no one who has left home or brothers or sisters or mother or father or children or fields for me and the gospel will fail to receive a hundred times as much in this present age: homes, brothers, sisters, mothers, children and fields--along with persecutions--and in the age to come eternal life.** The problem is not wealth, as the heavenly kingdom is very wealthy and it is to come here on earth, but rather THE WAY and for what purpose we want to attain it. If our motivation is money we will fail as everything we do in the flesh won't last 120 years, which from an eternal perspective is ridiculous. And yet many are led by money and never pass category (3). Only a few arise (enter) into category (4) and manifest the kingdom to the glory of God, because they decided to believe God. **Jump on board of the kingdom reformation train in 2017!**
