

... HE HAS MADE THEM A KINGDOM AND PRIEST

THE GLORY TRAIN LEADS TO - HIS WORK - HIS WAY

The body of Christ is being shaken in order to be freed from religious bondage and to enter the kingdom of God. While there is a general pattern we have to go through, not everybody experiences the same desert intensity. If you have the particular Josef Calling you will be known for very intensive desert testing. Somewhere in midst of my own 7 years desert season, when I cried out to the Lord in prayer, he introduced me to Os Hillmann who also had gone through an exact 7 years desert season. During that time Os birthed the devotional TGIF for marketplace leaders. If you are facing a desert season, I can only recommend to sign-up for his daily revelations and testimonies.

His Work, His Way - TGIF Today God Is First Volume 2 by Os Hillman published January 20, 2017

"So I have caused you to be despised and humiliated before all the people, because you have not followed my ways but have shown partiality in matters of the law" (Mal 2:9).

1-My work, My way - When you and I live in this world without Christ we live a life just as Esau lived his life. Esau despised his birthright and failed to enter into a relationship with God that allowed him to fulfill his destiny. In essence, Esau fulfilled his work, his way. His life represented the carnal life of the flesh.

2-His work, my way - When you and I become born-again by the Spirit of God, we begin to focus our attention on living for Christ. We realize it is His work we are doing but it takes time before we learn what it means to do His work, His way.

3-My work, His way - As the Holy Spirit does His work in us, we learn to walk with God. We learn what it means to see our work as His work and we desire to do it His way. The Israelites were guilty of not knowing His ways and were unable to move into the Promised Land because of not understanding how to do Their work, His ways.

4-His work, His way - When we begin to walk with God we begin to realize that all that we do is His work and He calls us to do it His way. When we begin to walk with God in this manner we begin to see the Kingdom of God manifested in our working lives. We begin to experience His power and learn what it means to do His work, His way.

In order to experience God in this way, each of us must give our working lives to the Lord and ask him to teach us His way. Moses asked God: "If you are pleased with me, teach me your ways so I may know you and continue to find favor with you" (Ex 33:12). Moses realized He needed God to teach him His ways in order for him to prosper in His relationship with God. www.marketplaceleaders.org
