

... HE HAS MADE THEM A KINGDOM AND PRIEST

What is C-S-I

This question I asked myself for many years! Lord what are you doing? I don't understand you, I am trying to obey you to the best of my knowledge and abilities, but I am experiencing the opposite of what I am used to. CSI was birthed after having gone through a tremendous personal storm followed by the world's historical financial crisis in fall 2008. While many lost their riches during that time, it was a wake-up call for many to seek for something that cannot be shaken. Think about it, here we are storing-up riches for ourselves that with a single storm can be gone in a matter of seconds. Even more so after we have been led by it, toiled so hard for it, we will eventually leave it behind through all eternity. But there is a kingdom, praise the Lord that cannot be shaken, which contains in itself the true wealth safely stored in heaven! But, as the young ruler whom Jesus told to give away all his riches to the poor thought he would enter a bad deal, so many Christians today hold on to the shaky riches they toiled for so hard not trusting Gods calling. Even though Jesus himself promised anyone who leaves everything behind for Jesus Christ and the gospel of the kingdom, will not fail to receive a hundredfold in mothers, brothers, sister, houses and land in this present age and eternal life Mark 10;20-30.
