

What does a Mortgage Broker do?

1

A BROKER IS THE
middle man
BETWEEN YOU AND THE LENDER

2

WE WILL
**work with you to
evaluate your home
loan needs**

AND WHAT OPTIONS AND FEATURES
YOU REQUIRE

3

WE WILL THEN **contrast and compare
hundreds of home loan
products from over 25 lenders,
including the major banks**

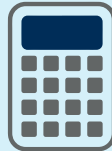

4

WE WILL
**provide expert
advice** ALONG WITH
**a choice of home
loan options**

5

WE WILL **calculate how
much you can borrow**
AND YOUR REPAYMENTS
**so you know the price
range you can afford**

6

ONCE YOU DECIDE ON THE HOME LOAN OPTION RIGHT FOR YOU,
we will do all the paperwork
AND FOLLOW THROUGH THE WHOLE PROCESS WITH THE LENDER OR BANK
making it as hassle free as possible

7

**and we
support you
through the
whole process**

8

**Loan is settled
CONGRATULATIONS!**

All of this at NO CHARGE to you!
