

SECOND POSTDOC DAY 2016 IN OCTOBER!

KI postdoc association (KIPA) and junior faculty at KI (JF-KI) are delighted to announce the upcoming professional development event “**From postdoc to PI. How to make the leap?**”.

You will have the opportunity to interact with academic recruiters, representatives of funding agencies, and active independent researchers and discuss what they look for in a young researcher applying for an independent position.

The event will take place on **October 18th, 2016, from 16:30-18:30**, followed by mingle.

Location: Samuelsson Salen, Tomtebodavägen 6, Solna campus.

The program is rich and as follows:

16:30-17:30. Panel discussion.

The panel is formed by Birgitta Henriques Normark (KI Dean of Recruitment), Anders Gustafsson (KI Dean of Research), Sandra Ceccattelli (Chair of Neuro), Stefan Eriksson (Chair of FyFa), and Mats Ulfendahl (representative of SSMF).

17:30-18:30. Round tables and informal discussion with junior and established PIs who will share with you their experience in building an academic career.

18:30-19:30. Mingle with refreshments.

Registration is open and mandatory: <https://survey.ki.se/Survey/3746>.

Registration will close on Oct 4th.

We are looking forward to seeing you at the event!

You can find more information and the complete list of the speakers at the round tables here: <http://kipostdocassociation.org/events-1>

A MESSAGE FROM BIOMICUM

Dear postdoctoral fellows,

we are pleased to inform you about the upcoming 1st Biomedicum Young Researchers Symposium that you are very much invited to attend since you are a young researcher by yourself! The symposium will take place in Aula Medica on 21st of October, and the registration is free of charge.

We have planned a number of exciting lectures from the 5 Biomedicum departments and 2 poster sessions including the core facility presentations. We also prepared prizes for the best posters so don't hesitate to apply for the presentation! The event is opened to whole KI with the priority given to the Biomedicum departments (MTC, FYFA, MBB, CMB and NEURO).

Lunch and beverages will be provided to the registered attendees. **The deadline for the abstract submission is the 1st of October.**

Registration link: <https://websurvey.textalk.se/start.php?ID=98829>

Please, come and enjoy the science with us! The event will be followed by the party at Biomedicum pub.
