

Dear Fellow Postdocs,
here it goes our sparkling monthly newsletter!

KIPA GENERAL ANNUAL MEETING 2017

Time is approaching to look back at what we achieved in the last year and discuss our goals for the new year!

As every year, the KIPA executive board will present the activities of the year and engage in a panel discussion with you. Would you like to get an overview of what KIPA did in 2017? Do you have suggestions for KIPA? Do you want to bring up some issues we are not focusing on? Would you like to get to know the "faces behind KIPA?" Come and join us!

When?

December 5th
17:30-18:30, followed by mingle

Where?

Samuelssonsalen
Tomtebodavägen 6
Solna Campus

You will also have the chance to meet and ask questions to the running candidates for the KIPA executive board 2018. Election will open on Dec 5th. All postdocs at KI will have the opportunity to vote through an online survey.

Your vote counts!

We are looking forward to seeing you on Dec 5th!

LOOKING FOR ENHANCING SOME TRANSFERABLE SKILLS?

BEYOND SCIENCE - SCIENTISTS' ROLES OUTSIDE THE LAB MIGHT BE FOR YOU

"Beyond Science - Scientists' Roles outside the Lab" is a 4-day interactive workshop for postdocs. It will allow you to look behind the scenes of editorial boards, funding bodies, recruitment panels and ethics committees to show you how they work.

The workshop will take place at **IMB** (Institute of Molecular Biology) in **Mainz from 24-27th April 2018**.

The deadline for application is **10th November 2017**.

The course addresses the following questions:

How does the editorial board of a scientific journal decide on submitted manuscripts?

How are grant proposals evaluated by funding agencies?

How do recruitment panels assess applications and how do they interview for group leader positions?

How do ethics committees investigate scientific misconduct?

More info on the course and application guidelines can be found here
