# WHAT WE DO

## **Showing in Hand**

In hand showing involves showing the horse or pony in walk and trot whilst being led and gives you the opportunity to show the judge how well your horse or pony looks and moves

## **Ridden Showing**

Ridden showing involves showing the judge you riding your horse or pony in walk, trot and canter (only walk and trot for lead rein). It gives you the opportunity to show the judge how well you can ride and your horse or pony's way of going forward

## **Handy Pony**

Handy pony involves you riding your horse or pony round a short course of obstacles and gives you the opportunity to show the judge how well behaved your horse or pony is

## **Dressage**

Dressage involves horse or pony and rider performing a set of predetermined movements known as 'figures' to show the judge how well you can perform set moves you have practised

## **Show Jumping**

Show jumping involves riding your horse or pony over a course of fences or other obstacles in an arena with penalty points for errors. We have two show jumping rings; a main ring and also a novice ring where our younger or less experienced riders can also try show jumping

## **Novelty Classes**

Novelty classes involve in hand showing in a fun and relaxed way and give you the opportunity to show the judge how well you handle him or her

## **Gymkhana**

Gymkhana involves competitive games on horseback. Competitors are split into ages groups, Tiny Tots, Lead Rein, A group, B group, C group and Open. Gymkhana features five different games each show with competitors in each group racing against each other. Tiny tots features just three games
