Request for Breed Transfer to American Bully Breed

The fee for this service is \$30.

A breed transfer is not available for dogs with a UKC APBT Conformation title.

RULES AND PROCEDURES REGARDING BREED TRANSFER PLEASE READ CAREFULLY

- 1. Only UKC registered American Pit Bull Terriers are eligible to transfer to the American Bully breed.**
- Both Registrant/Owner(s) signatures are required, regardless of an “and” or “or” partnership, in order to transfer the breed from American Pit Bull Terrier to American Bully.
- Dogs registered with a Sole Signatory will require the signature of the Sole Signatory (first owner listed on the registration certificate) on this application to transfer the breed.
- 4. The original registration certificate must be returned to UKC with this application. No faxed or emailed applications will be accepted.**
- The dog must be at least six months of age at the time of the request.
- Dogs accepted for a breed transfer who are ‘PR’ (Purple Ribbon Bred) will lose that designation on their registration papers. This does not apply to the ancestors in the pedigree.
- It must be understood that dogs accepted for breed transfer will lose all UKC registration numbers in the pedigree for dogs that are registered as American Pit Bull Terriers. However, those dogs’ names and performance titles will appear in the pedigree.
- If the dog is accepted for a breed transfer, a new Registration Certificate, Performance Pedigree, and Easy Entry® Card will be forwarded to you.
- 9. The fee for this service is \$30.** Please allow 6-8 weeks for processing. ***No Rush, Expedited, or Next Day Air service is available for this application.***
- All requests will be reviewed by the UKC Single Registration Committee.
- Once this breed transfer is complete, this dog’s offspring will only be eligible to be registered as American Bullies.
- I understand that prior to the date of this transfer, my dog was registered as an American Pit Bull Terrier and UKC records will reflect that. I further understand that once this Breed Transfer is complete, I will be unable to transfer back to the original American Pit Bull Terrier breed.
- I understand that this application is being submitted for consideration and is no guarantee of transfer.
- Points earned toward a Conformation title as an American Pit Bull Terrier will be forfeited if the breed transfer is accepted.
- Points and titles earned in performance events as an APBT will be honored and transferred to the dog’s new UKC Registration number.
