

**UNION GROVE CEMETERY
VETERAN'S MEMORIAL
HARSHAW, WISCONSIN**

Dear Fellow Americans:

During these times of terrorism in our country and around the world, and now with America's counter military actions against these activities, we would like to take a few moments of your time to discuss several items of deepest importance to us.

America is the home of the FREE AND BRAVE, and we hope and pray that it will continue to be. But FREEDOM ISN'T FREE, as proven for almost two hundred and thirty years. We have had wars and police actions to gain and maintain this freedom. As our freedom is curtailed, we are still PROUD TO BE AN AMERICAN. While history may overlook many of the brave deeds of our gallant men and women, their memory will live in the hearts and minds of freedom loving people of this great nation. Now is the time to honor human courage and sacrifice wherever it is displayed, without either denying or glorifying the pain and suffering of war and of life.

The men and women, who in the past and presently are helping assure our freedom, must be shown the appreciation of all Americans. Here in Harshaw as elsewhere we must show our thanks to those who served their country at home and abroad - many who gave the ultimate sacrifice . . . their lives.

This Veteran's Memorial is funded primarily by private contributions from people like you. To enable us to continue maintaining and expanding this Memorial, we are asking you for a donation of \$150.00 to purchase a Legacy Stone. The Legacy Stones are not just for veterans but are also for non-veterans, individuals, and organizations, to be placed in celebration of life - past, present and future. The Legacy Stones will be engraved to your wishes and will be placed as a living memorial in the Veteran's Memorial walkway.

PLEASE take the time to review the front picture of the VETERAN'S MEMORIAL, along with the Legacy Stone Application, and then mail your Legacy Stone Application along with your donation TODAY.
