Natural Latex Mattresses

Another stunning collection from

 **SLEEPSYSTEMSNZ**  
INNOVATORS IN SLEEP

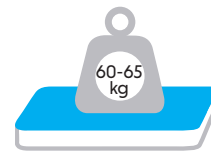

### NATURA SOFT

Using a combination of organic natural latex, luxurious wool and cotton/bamboo ticking gives you the best natural sleep in New Zealand. Natura Sleep is naturally healthy, protecting you from dust mites, mould, bacteria and algae. The one-sided mattress design means there is no need to turn and partner disturbance is minimised.

### NATURA SLEEP FOUNDATION

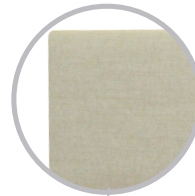

The Natura Sleep foundation is crafted with New Zealand Pine and fully upholstered in quality Warwick fabric and finished with wooden feet creating the perfect platform for your sumptuous natural Latex mattress.

Your Sleep System components work together for your comfort and support. For best results, do not use an old foundation with your new mattress.
