If Animals Were Like Pokemon

Written by Elizabeth Duivenvoorde

Art by Shida Shinpan

Based off the idea and world of Pokemon, this story shows what life could be like if our pets acted like Pokemon.

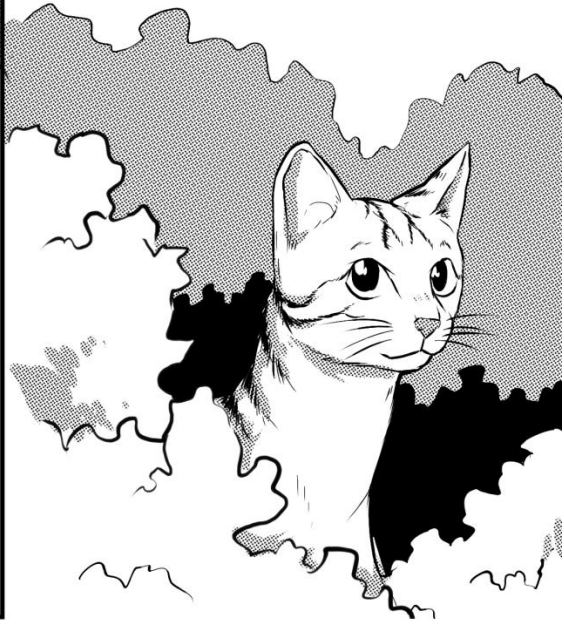

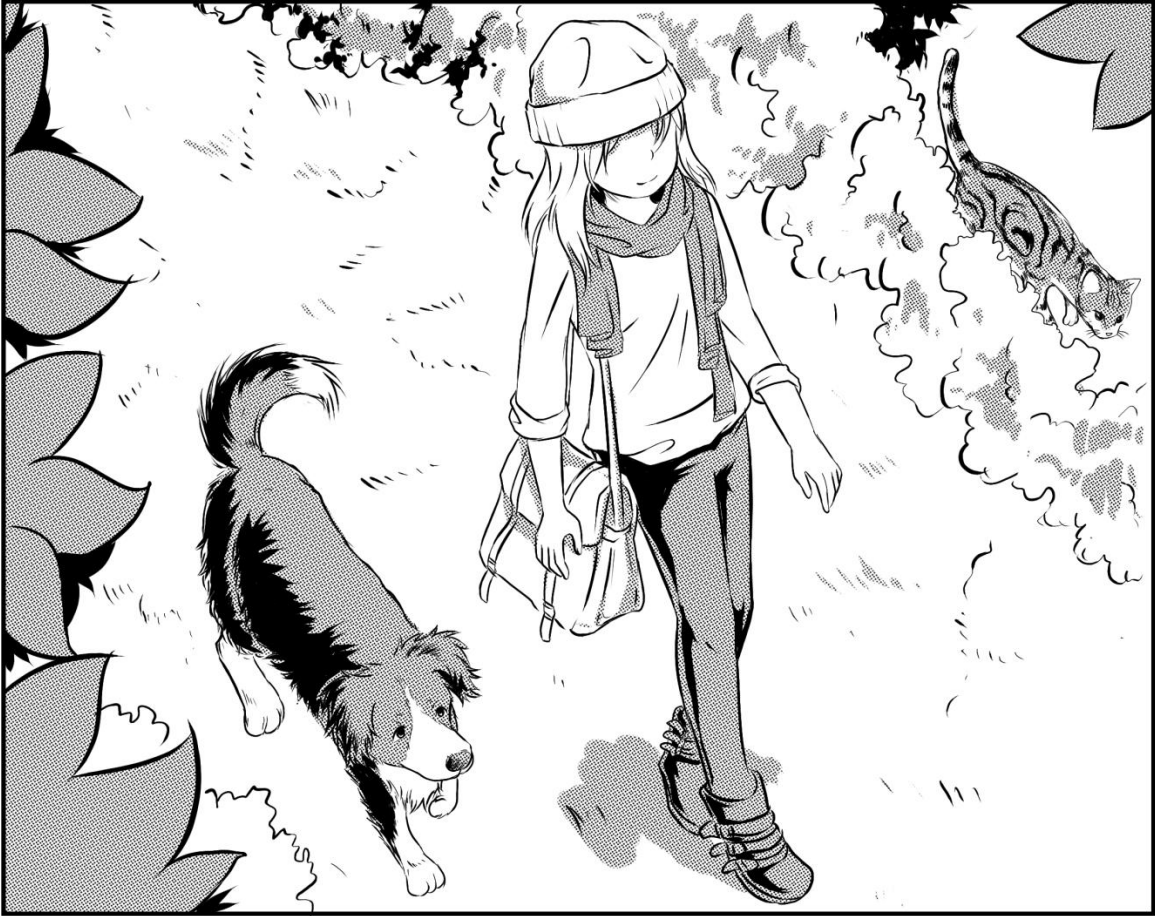

This is a fan made story.

Acknowledgements

I believe some thanks are in store for making this comic happen.

First off, thank you to the talented Shida Shinpan for doing the beautiful artwork for this comic.

Thank you to Anna Kingsley for doing the voicing the characters in the audio story, which can be found on my website and YouTube page.
