Present

**MARTIN SCHOFFEL**

Solo Exhibition

*Austrian - Venezuelan artist, he develops at a very young age a genuine interest for kinetic art. His work is translated into geometric figures and contrasting colors playing with aluminum sheets. Overlapped layers enrich the content of his most recent work, focusing into the chromatic rhythm that invites the spectator to participate in a playful way with the universe of optic illusions.*

*Awarded in 2015 on the category "Young Artist" with the "Omar Carreño Plastic Award" presented by three prestigious associations: "Colegio de Arquitectos de Venezuela", "Asociación Venezolana de Artes Plásticas" and the "International Association of Art Critics".*
