8:50	Girls' 2V	MHS	EO	SHS
9:10	Boys' 2V/3V	SHS 3V	MHS 2V	SHS 2V

Public Parking:

There is a nominal parking fee for Saturday. There is a tunnel that goes under Route 9 for easy access to Harbor Park. The tunnel entrance is located on deKoven Drive within the Melilli Plaza parking lot, 53 Washington Street.

Riverview Parking Garage – lower level – located on Dingwall Drive and Melilli Plaza Lot – located behind Main Street Market. The Melilli Lot and Upper Arcade Facility have transitioned to fully automated public parking areas! To enter the lots you must pull a ticket from the automatic ticket dispenser; **Remember to PLEASE TAKE YOUR TICKET WITH YOU.**

There are two Pay-on-Foot Pay Stations:

The recommended station is located near the entrance. This station accepts parking-fee payments, tenders any change due, issues a receipt and validates your parking ticket. There are also pay stations in the exit lanes; however, as stated the we recommend using the pay-on-foot pay station near the entrance to expedite departures.

Before returning to your vehicle:

Proceed to the automatic pay station located near the entrance.

There is a "Push for Assistance" button at each machine should you have need for on-site assistance.

- Insert your parking ticket into the pay station (magnetic stripe up & to the right). The pay station will automatically calculate your parking fee, if any. If you would like to receive a receipt of your transaction, select that option before paying your parking fee.
- Insert cash or credit card as payment. Your ticket will be encoded as paid and automatically returned to you.
- Proceed to your vehicle with your ticket.
- Drive to the exit lane, insert the ticket into the exit verifier and the gate will open to allow you to exit.
