Parking

Please follow the DEEP directions for parking. There is NO PARKING alongside the road. The very nice Parking Passes that were handed out by your coaches for the food tents are NO LONGER Valid. They will let you unload near the tent area and then you must park where they tell you to. Please follow their directions and do as they ask you to. I have attached a map of the parking area around the golf course as it can be difficult to navigate without GPS as there is only spotty service.

Shuttle Bus

There will be a 3 shuttle buses this year. Starting at 8am mini school buses will drive along the race course, then up and around the golf course back toward the start. There will be Shuttle Bus signs along the way so the driver knows where to stop. Also, if you need to you may be able to flag the driver down. Please encourage your spectators to take advantage of this service.

Food Tents

The support of parent groups is part of what makes the CPSRA Championship Regatta special and I know that all teams are very grateful to their parents. In the last few years, due to the muddy banks, we had everyone keeps their tents closer to the road and away from the bank. It worked very well in protecting the banks of the lake. We also found that it allowed for better viewing for all teams, because tents were not along the race course.

- We are asking that tents from the Finish Line to the Start be set up closer to the road on the hill and away from the bank of the lake.
- From the Finish Line toward the dock you maybe near the lake as it is not as muddy, but be cautious. There is a regatta there on Saturday, so if you are planning on setting up early, please wait until the regatta is over.

Port-o-lets

We ask that you use the Port-o-lets that are provided throughout the park. DO NOT USE the bathrooms in the campgrounds or up by the trailer. DO NOT WASH your feet in the sinks in the bathrooms.

Garbage Dumpsters

Please make sure that you either take your garbage home or use the dumpsters. This year there are extra dumpsters throughout the park - both for trash and recycle. Please use them appropriately. If they are full - take your garbage home.

Shirts and Programs

We are selling shirts again this year. They will be \$25 each. The shirt tent will be set up near the finish line. Each team will receive one program for each senior on the team. Those programs will be given to the head coach. Ann Carabillo will be walking around during the day leaving programs at each team's tent. There will be a limited amount at the shirt table.

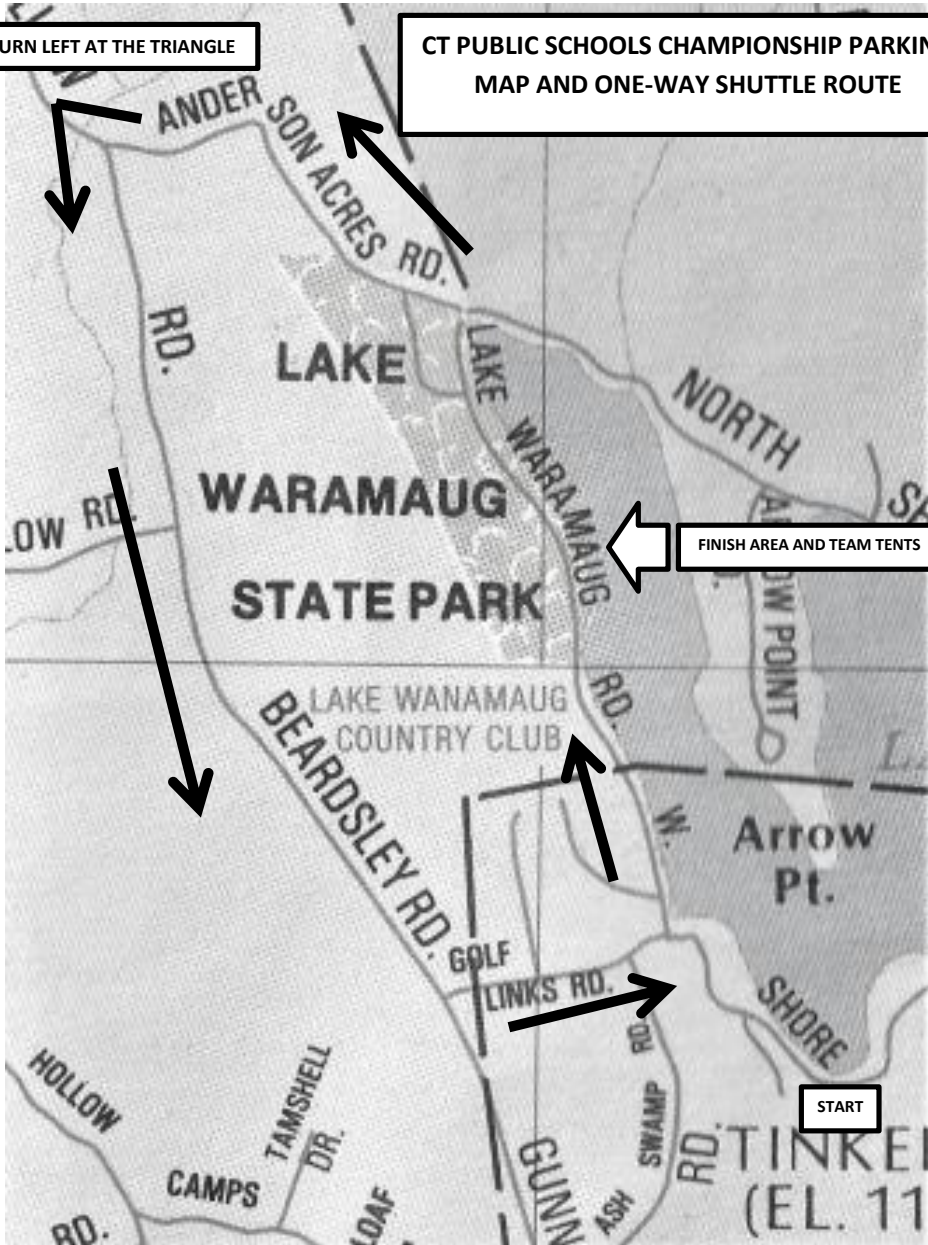

Thank you again for your help in making this regatta an outstanding day!! We would also like to thank all of our regatta sponsors.
