

## Haven Nursery School Charging and Remissions

### **Charging Policy**

At Haven Nursery School, we want all our children to have equal opportunity to benefit from activities both on and off-site. This policy sets out our policy to charging and remissions and in doing this our intention is to ensure transparency in setting charges and ensure all children have the opportunity to access all the provision on offer.

### **Child Care**

No charge can be made for the 15 hours per week Early Years Foundation Stage funded education. The nursery will charge parents/carers for childcare which is additional to the funded hours of nursery education. The amount is reviewed annually by the Governing Body and current charges are set out in the 'Fees' section of our website.

### **Voluntary Contributions for Snack**

We ask parents to contribute £1 per week towards a healthy snack for children each day. This money is also used towards special cooking activities, including campfire cooking in the Forest School and other activities which enhance and enrich the curriculum.

### **Voluntary Contributions for Activities and Trips**

We may in certain circumstances invite parents to make a voluntary contribution towards activities. The amount of the contribution is based on the projected cost for the activities. Children will not be treated differently according to whether or not their parents have made any contribution in response to the request. However where there are not enough voluntary contributions to make the activity possible, then it may be cancelled.

A voluntary contribution of £2 per child is requested towards the cost of providing high quality wet weather clothing, including wellington boots and waterproof suits.

### **School Fund Raising**

The School holds a number of fund raising events throughout the year to extend the children's experiences and encourage parental involvement.

Money raised is necessary to support the wider curriculum and provide additional enhancements. Parents are informed of the amount and use of funding raised.

We appreciate any contributions and support for the events.

### **Charity**

The Nursery School identifies charity events throughout the year which are meaningful to the children and support their learning about the wider world. All contributions are welcome.
