May 2017

Dear Parents,

It is hard to believe that the summer term is here already!

Transition to school (for those children leaving us this summer)

We do hope you were allocated your chosen school. If you have any queries about your application please come and see me. If you could let Emma in the office know which school your child will be attending we will then be able to contact them to discuss transition. We want to ensure all children have a smooth transition into school and invite all schools to visit the children at Haven. The visiting staff are given time to meet your child and their key person.

At the parent's evening in July you will be able to share your child's on line learning journey with your key person. You will receive your own copy. Many schools are now using Tapestry and your child's learning journey will be sent to their school where their journey will continue into year R. If you have any worries about your child's transition into school please come and see your key person or myself.

Snack Money

We are finding it difficult to purchase snack/cooking food for the children as we are not receiving much snack money. Just a reminder; that snack/fruit money this term is £1 per week or £5 for the half term. This money is essential for providing a wide range of ingredients for cooking (including forest school cooking) for the children and allows for many cookery ingredients to be paid for. We would be very grateful if you could send this in as we have not received many contributions and the cost of snack has increased considerably. Thank you for your support.

Sun cream

We are hoping the sun will be shining soon and would be grateful if you could send a £4 donation towards sun cream and bug spray repellent. If your child has any allergies please send in your own cream/repellent. If your child attends a 3 hour session please apply sun cream before the session. We provide Haven sun hats for the children.

Forest School

Summer in the forest is a magical time with the children. Please ensure that your child wears appropriate clothing to protect them. They must wear long sleeves/trousers and trainers. If they wear sandals they will have to change into boots. We provide sun hats for the children. Ask your child's key person which day they are in the forest. It does change to ensure all children have the opportunity to attend.

Fun Day in The Hive

We will be holding a summer fun day for all the children in the Hive. This special day will have a theme. The date still needs to be finalised and more details to follow.

Library

The children enjoy their special time in the library with Elaine our Literacy Co-ordinator and are always excited about choosing a new book to take home to share with you. Please encourage your child to bring their book back to change and let us know if any book repairs are needed. If you have lost your library bag Elaine can provide you with a new one. Children are really loving books both fiction and information books. Each month we focus on a different author, 'Author of the month' and there is a display in the entrance for you to share with your child.

Lost Property

Please check the table in the reception area as there are many unnamed items of lost property. We do make every effort to care for coats and belongings and if they are labelled it is very helpful.
