\*The Full Day Rate only applies on days where no free entitlement hours are taken.

If eligible, Parents are required to nominate an agreed pattern of attendance for their free entitlement, which cannot be altered during a term. *To benefit from the maximum free entitlement it must be taken over a minimum of 2 days.*

For children attending Government funded hours only, there will be a charge of £1.50 for the provision of breakfast, £2.20 for a hot lunch and £2.00 for tea (if your child attends during these meal times). Any part days taken above the Government funded hours will be charged at the hourly rate of £4.00 (plus meal costs where appropriate).

### Please Note:

- Fees are generally subject to revision each September.
- Due to variations in the number of days in any given month and because Government funded hours generally apply to school term time only, please note that monthly invoices for The Cherry Room and The Hive will vary in terms of the amounts charged depending on the number of 'school days' within a given month.
- One month's written notice is required before any request to reduce additional childcare hours can take effect.
