

Greetings from Haven Nursery School

Summer has arrived and the school leavers have all had their celebration events as well as their visits to their new schools. We would like to take this opportunity to wish them well in their new adventures.

August is going to be a busy time at the Centre as we are going to have a number of contractors on site. On Monday 31st July we will be shutting the car park to all Haven parents and staff as scaffolding is going to be erected as part of our external redecoration. The car park will then remain closed for the following 6 weeks as the decorators get under way with their project and the builders work on the Hive garden.

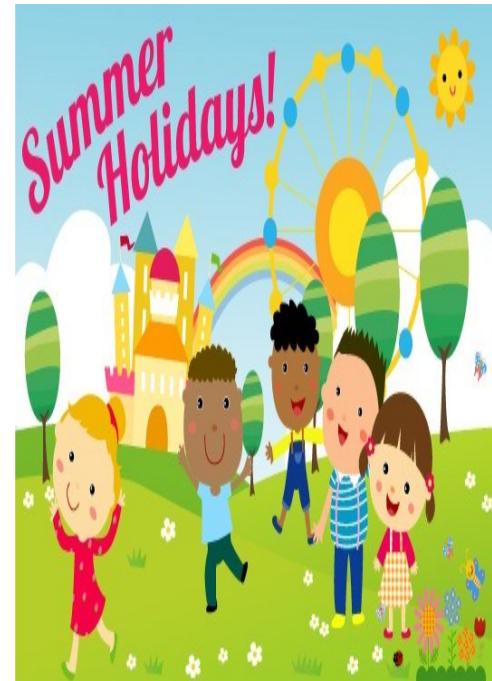

During the summer the builders are hoping to improve the drainage in the Hive garden as well as lay an all weather surface which should make the space safer and less muddy for the children. The final project is to re-tarmac the car park. We are aware that there are a few pot holes and wish to get this addressed as soon as possible.

Please bear with us through all this work. If you have any concerns please come and speak to a member of the office team.

Staff changes

The holidays always bring a number of staff changes. This year we are very sad to say goodbye to Charlotte Rix who is having a change of career. We wish her well in the future and hope she will come and visit us.

We are currently in the position of recruiting some new staff to our team and we will share these details with you in a September newsletter.

Important Dates:

28th August - Bank Holiday Monday

4th September - NSET day in the Hive and 2 year old funded children

5th September - Whole Centre open
