

What's happening in The Hive this week?

Week beginning: 9.07.18

Thank you to everyone who joined us on our Physical Fun Day, it was lovely to see so many parents at the event and the children enjoyed sharing the physical activities with you. They will be able to continue playing these games this week outside in the garden. The children are still enjoying the football and we are excited about England being in the quarter final!

Our caterpillars continue to grow and have shed their exoskeletons four times and have grown more than 10 times their original size! Once they have shed their exoskeletons for the fifth time they will turn into chrysalides. We are watching these changes daily.

The staff are busy completing their Tapestry and will share their transfer report with you at parents evening this week. They are spending these last two weeks enjoying their time with the children.

Elaine our Literacy coordinator asks that you start to return all library books and book bags. If you have lost a book please let us know. The children continue to enjoy the

Some important dates for you

- Parent's Evenings from 4.15pm to 8.00pm. Please book a time to talk with your child's Key Person:

Tuesday 10th July: Mya, Stacy/Jen, Ellen, Tracey, Elissa/Joe

Wednesday 11th July: Lisa, Hollie,

Garden and Allotment.

The garden has been very busy over these last hot weeks. If it is too hot we bring the children into the cooler nursery and encourage them to sit down and chill out with special chill out music.

We have drink stations inside and outside and we ensure the children stop and drink regularly.

We have been busy in the water area making streams and rivers in the mud kitchen

Forest School

We are very excited that the new pathways have been put in the forest. This means all children will be able to access the forest including children in wheelchairs.

Sue and Dawn will be back in the forest this week and the children will be going out in their groups as usual.

What can you do at home to support your child's learning? Share a book with your child in a special place. Children love listening to stories outside in our garden or a cosy corner.
