Privacy notice for parents/carers

Under data protection law, individuals have a right to be informed about how the Centre uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **pupils**.

We, Haven Nursery School, Harris Road, Gosport, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Kirsty Gunnell (see 'Contact us' below).

The personal data we hold

Personal data that we may collect, use, store and share (when appropriate) about pupils includes, but is not restricted to:

- Contact details, contact preferences, date of birth, identification documents
- Results of internal assessments and externally set tests
- Pupil and curricular records
- Characteristics, such as ethnic background, eligibility for free Centre meals, or special educational needs
- Exclusion information
- Details of any medical conditions, including physical and mental health
- Attendance information
- Safeguarding information
- Details of any support received, including care packages, plans and support providers
- Photographs

We may also hold data about pupils that we have received from other organisations, including other Centres and schools, local authorities and the Department for Education.

Why we use this data

We use this data to:

- Support pupil learning
- Monitor and report on pupil progress
- Provide appropriate pastoral care
- Protect pupil welfare
- Assess the quality of our services
- Administer admissions waiting lists
- Comply with the law regarding data sharing

Our legal basis for using this data

We only collect and use pupils' personal data when the law allows us to. Most commonly, we process it where:

- We need to comply with a legal obligation
- We need it to perform an official task in the public interest

Haven Nursery School

Less commonly, we may also process pupils' personal data in situations where:

- We have obtained consent to use it in a certain way
- We need to protect the individual's vital interests (or someone else's interests)

Where we have obtained consent to use pupils' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn.

Some of the reasons listed above for collecting and using pupils' personal data overlap, and there may be several grounds which justify our use of this data.

Collecting this information

While the majority of information we collect about pupils is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you or your child, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

How we store this data

We keep personal information about pupils while they are attending our Centre. We may also keep it beyond their attendance at our Centre if this is necessary in order to comply with our legal obligations. Our Records Management Policy and Retention Schedule sets out how long we keep information about pupils. The Centre has adopted and adheres to the principles of Hampshire County Council's Record Management Service, Centre Records and Retention Schedule.

Parents/carers can make a request for any information about their child, or information from which their child can be identified, if the child is under the age of 12.

Data sharing

We do not share information about pupils with any third party without consent unless the law and our policies allow us to do so.

Where it is legally required, or necessary (and it complies with data protection law) we may share personal information about pupils with:

- *Our local authority – to meet our legal obligations to share certain information with it, such as safeguarding concerns and exclusions*
- *The Department for Education*

National Pupil Database

We are required to provide information about pupils to the Department for Education as part of statutory data collections such as the Centre census, Early Years Pupil Premium, 2 year data

Some of this information is then stored in the National Pupil Database (NPD), which is owned and managed by the Department and provides evidence on Centre performance to inform research.

The database is held electronically so it can easily be turned into statistics. The information is securely collected from a range of sources including Centres, schools, local authorities and exam boards.

The Department for Education may share information from the NPD with other organisations which promote children's education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.

For more information, see the Department's webpage on: www.gov.uk/government/collections/national-pupil-database

You can also contact the Department for Education with any further questions about the NPD.

Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

Parents and pupils' rights regarding personal data

Individuals have a right to make a '**subject access request**' to gain access to personal information that the Centre holds about them.

Parents/carers can make a request with respect to their child's data where the child is not considered mature enough to understand their rights over their own data (usually under the age of 12), or where the child has provided consent.

Parents also have the right to make a subject access request with respect to any personal data the Centre holds about them.

If you make a subject access request, and if we do hold information about you or your child, we will:

- Give you a description of it
- Tell you why we are holding and processing it, and how long we will keep it for
- Explain where we got it from, if not from you or your child
- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

Individuals also have the right for their personal information to be transmitted electronically to another organisation in certain circumstances.

If you would like to make a request please contact our data protection officer.

Parents/carers also have a legal right to access to their child's **educational record**. To request access, please contact Kirsty Gunnell, Finance Officer.
