Solar Oasis

Introducing Solar Oasis 200, 500, and 1000, complete solar-powered seawater and brackish water desalination systems for off-grid applications such as remote villages, towns, beach properties, etc. We currently offer three standard packages:

- A) 200 GPD SWRO + 1600W off-grid solar power center package
- B) 500 GPD SWRO + 2400W off-grid solar power center package
- C) 1000 GPD SWRO + 4000W off-grid solar power center package

Below you will find essential package specifications, prices, and anticipated maintenance costs. (Note: combo price is 15% less than the total price of SWRO system + Off Grid Solar Power Center Package) Other custom packages are available upon request.

Solar Oasis 200

1600W off grid solar power center package (230V, 50hz/60hz, 1ph)	
	Quantity
charger/controller/inverter (FPS-1624)	1
batteries (12V/100ah/maintenance free lead acid, deep cycle)	2
AC Distribution Box	1
250 Watt solar panels (SolarWorld, Q-Cell, Trina or equivalent)	4
cables	1 set
Grand total (Ex. Works, Santa Clara, California, USA)	\$2,853.00

Model: SWRO-200	
Production Rate: 200 GPD/ 757 LPD	
Feed Water Rate: 1 GPM	
Power consumption : 0.62KW at 900 psi (excludes feed water pump)	
	Unit Price
RO System	\$6,450.00
Multi-media filter	\$450
Feed water pump	Please call
Anti-scalant dosing	\$650
Recommended 2-year consumables: 5 gallon pail of FPAS-Plus-Select Anti-scalant	\$220
Recommended 2-year consumables: 24x SDC-25-1005 5 Micron Sediment Filter	\$43.20

Solar Oasis 500

2400W off grid solar power center package (230V, 50hz/60hz, 1ph)	
	Quantity
charger/controller/inverter (FPS-2424X)	1
batteries (12V/100ah/maintenance free lead acid, deep cycle)	4
AC Distribution Box	1
250 Watt solar panels (SolarWorld, Q-Cell, Trina or equivalent)	6
cables	1 set
Grand total (Ex. Works, Santa Clara, California, USA)	\$4,613.00

Model: SWRO-500 Production Rate: 500 GPD/ 1900 LPD Feed Water Rate: 1.8 GPM Power consumption : 0.82KW at 900 psi (excludes feed water pump)	
	Unit Price
RO System	\$7,555.00
Multi-media filter	\$450
Feed water pump	Please call
Anti-scalant dosing	\$650
Recommended 2-year consumables: 5 gallon pail of FPAS-Plus-Select Anti-scalant	\$220
Recommended 2-year consumables: 24x SDC-25-1005 5 Micron Sediment Filter	\$43.20

Solar Oasis 1000

4000W off grid solar power center package (230V, 50hz/60hz, 1ph)	
	Quantity
charger/controller/inverter (FPS-4048)	1
batteries (12V/100ah/maintenance free lead acid, deep cycle)	8
AC Distribution Box	1
250 Watt solar panels (SolarWorld, Q-Cell, Trina or equivalent)	12
cables	1 set
Grand total (Ex. Works, Santa Clara, California, USA)	\$9,726.00

Model: SWRO-1000 Production Rate: 1000 GPD/ 3800 LPD Feed Water Rate: 2.5 GPM Power consumption : 1.5KW at 900 psi (excludes feed water pump)	
	Unit Price
RO System	\$8,777.00
Multi-media filter	\$550
Feed water pump	Please call
Anti-scalant dosing	\$650
Recommended 1-year consumables: 5 gallon pail of FPAS-Plus-Select Anti-scalant	\$220
Recommended 1-year consumables: 24x SDC-45-1005 5 Micron Sediment Filter	\$190.80
