

The Weekly Hoot

FBA-First Grade

February 12-16

Dear Parents,

Please continue to work on math facts with your children. It is important that they have their facts memorized and are not needing to draw dots or count on their fingers. This will help them to become stronger math students now and in the future. Xtramath.org is an excellent resource. It is free on the computer or \$5 in the app store.

Our Phonics test will be on Thursday and Math test will be on Tuesday this week and spelling homework will also be due on Tuesday.

Please remember to send Valentines for the Valentine's Party.

If you have any questions or concerns feel free to email me or call the school. My conference time is 12:35-1:05.

Mrs . Barrow

This Week's Material

Phonics— Special Sounds— -est, -ly, -en, -es, -ild, -ind Review: ABC order, suffix rules

Math— Review: fact families, time, money (penny, nickel, dime, quarter) and adding 5 or more coins together, adding 3 or more numbers, adding/subtracting 2-digit numbers, $\frac{1}{2}$, months and number of days in each. Introduce $\frac{1}{4}$, bar graphs, dollar bill and half-dollar coin.
