Ms. Scardino

Week of March 5 - 9

Hello 7th Grade Parents,

This week we began our new class novel called, *The Westing Game*. We are also continuing to work through our literature books and focus on our critical reading and writing skills.

The copy machine is out of order for the next few days and I was unable to print a homework packet for this week, so 7th grade has no homework this week.

Thank you for everything you do at home to make sure our students are successful!

- *Mrs. Scardino*

March - Contentment:

The state of being happy and satisfied.

Philippians 4:12 I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. NIV
