READING New library books for report 3/20

We have a new math packet this week. Also we will start writing our multiplication facts again this week. We have added the 6's, 7's, 8's, and 9's that need practicing. They have really been working hard in class, and the results have been good. We are about half way through Charlotte's web in reading, and almost done writing our fictional stories in English.
