The Science Fair is coming—March 23rd! By now, students should be working on their experiment. The final tutorial session is scheduled for Monday, Mar. 19 and will cover preparing for the fair and presenting to the judges.

We will also be starting a new behavior plan when we return, involving lunch detention and field trip/Pirates Bay eligibility. More information coming...

We have only 1 week remaining in the grading period. Remember to check your student's grades in Engrade. Report cards will go home Monday, April 2.

As always, thank you for encouraging and helping your student to be successful!

### Bible Verse

*"I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want."*

*Philippians 4:12*

### Virtue

*Contentment:* The state of being happy and satisfied
